It has been
great knowing
you. We will never
forget Nuba will be.
Good Luck

Tim -
We've had a bunch of good times in our
four years at Helix. I can say that if anybody
crapped out this school and its district policies.
The incident I can remember but is our doubting
to University of Texas at Boulder. That was
the funniest thing that could ever happen in
when you go to State maybe you can
stand a NUBA society there and
carry on the tradition. I know it
see each other in the future as I visit
about the sentimental trip. In
glad you and I are graduating.
Go Tomorrow.

It's Tim,
a real blast this
year. Keep your
attitude up. Good luck
college and have fun
in this summer.

You best Buddy.

the same chemistry

Tim
To a real great
guy.
Though nothing is
nearly certain except
death and taxes, I
wish you the best
of luck in the
coming year.
Your friend

Jim,
It sure has been a panic

fun knowing you. I hope

of everything.

FORWARD

The theme of the 1962 TARTAN is a tour "Around Town"—our own San Diego. Students of the Helix campus spend many leisure hours enjoying the beauty and versatility of San Diego. In future years the TARTAN shall revivify these memories of our city—at the beach, the Greek Bowl at California Western University, Mt. Helix, the Zoo, Presidio Park, Balboa Park, Westgate Park and Civic Center. The 1962 TARTAN Staff hopes you will enjoy your tour "Around Town."

DEDICATION

Mr. Lewis Freed

*"Without haste, but
without rest." — Goethe*

Working late!

The graduating class of nineteen hundred and sixty-two wishes to dedicate this **Tartan** to Mr. Lewis Freed. As our past Associated Student Body advisor, Mr. Freed helped to establish an efficient and effective student government program. Devoting many hours of his day to student government work, Mr. Freed was the problem-solver, the untiring assistant, the devoted advisor, and ultimately, one of the most spirited at all school activities. The appreciation of the senior class and the whole student body fuse in presenting this dedication.

CLASS HISTORY

1958-1959

President — Eddie Lebb, Vice-President — Susan Lovewell, Secretary — Bonnie Covell, Treasurer — Beth Birkenbach. Our first year at Helix was filled with many new and exciting events. At Freshman Orientation we were introduced to our counselor, Mr. Wallis. We were triumphant over the Sophomores in the Frosh-Soph Speech Tournament. Our very active Frosh council held a successful after-game dance.

President — Bill Wilson, Vice-President — Diana Bonsignore, Secretary — Bonnie Covell, Treasurer — Beverly Sodomka. During our second year at Helix we chose our Junior rings, and our class council had another dance. This was an exciting year in sports. We were Metro League Champs and SCIF quarter finalists in basketball, and SCIF finalists in Cross Country.

1959-1960

1960-1961

President — Paul Bardacke, Vice-President — Bob Rothstein, Secretary — Nancy Raper, Treasurer — Terry Nelsen. During our very active Junior year we began to be known as one of the most efficient and hard-working classes Helix has ever had. The top scholars of the class who were chosen as Tartan Bearers were Lucy Lemmo, Joan Woodward, Karen Brixner, Ellen Ruja, Beverly Sodomka, Vicki Ritter, Larry Woods, Paul Bardacke, Bob Rothstein, Jim Trost, Bill Burnett, and John Weeks. We had a very successful Jr. Party at Holiday Ranch. Nobody will ever forget our first foreign exchange student, Dietmar Schudlich, from Germany.

President — Bob Rothstein, Vice-President — Bill Burnett, Secretary — Kathy Welty, Treasurer — Hawley Skilton. Our Senior year was the most active of all our high school years. We had two barbecues in the Sr. Patio, the Sr. Prom at the El Cortez, the Sr. Banquet at the Stardust, the After-Prom at the Red Coat Inn, Baccalaureate at the Organ Pavilion in Balboa Park, and the Sr. Breakfast at the Chuck Wagon. Homecoming Queen was Bobbi Hartwell. This year we had two exchange students: Bjorn Sata from Norway and Catherine Masakwe from Kenya.

CLASS ADVISORS

MR. WALLIS
COUNSELOR

As the class of 1962 of Helix High School moves on toward graduation and the fulfillment of its four years of endeavor, it also will soon move off into history. In my opinion, this class now and always can take pride in its splendid record. As I have talked with you personally and have seen you reflected in your record cards, over which I have so constantly pored, I have found evidence of the very high quality of ambition, intelligence, personality, purpose, and industry which are leading you to a well-won success. Your achievement during these four years is your best guarantee of the success which most assuredly waits you in the coming years. With a continuation of the same qualities that you have evidenced in high school, you can not fail to meet your objectives. My confidence and best wishes will follow you all the way.

FOREIGN EXCHA

Our first girl foreign exchange student, Catherine Masakwe, has been a real asset to our student body this year. Born in Kenya, she is the oldest of three children in her family. Catherine's education includes the completion of primary school, intermediate school, and teacher training. Before coming to the United States she taught in a Roman Catholic school for 1½ years.

Catherine's outside interests include netball, hockey, dancing, music, and home economics. Her hobbies include reading, drawing, and painting. She is taking piano lessons now for the first time.

Catherine's subjects in school for the first semester included choir, homemaking, English, crafts, typing, and physical education. During the second semester she took social problems and world history in place of crafts and typing.

Catherine is one of three AFS students selected from Kenya. She is living at the home of Jana Stroessler, senior. We were very happy to have Catherine be a part of our Highland clan.

Catherine Masakwe

NGE STUDENTS

Bjorn Sata was born in Vaga, Norway, in 1944. He has one brother and one sister. Bjorn's school in Norway is quite different from Helix. It has about 330 students. Everyone has to take the same subjects. In order to go on to college one must pass the final examination.

Bjorn is very interested in sports. Skijumping is his main sport. He also played on a soccer team.

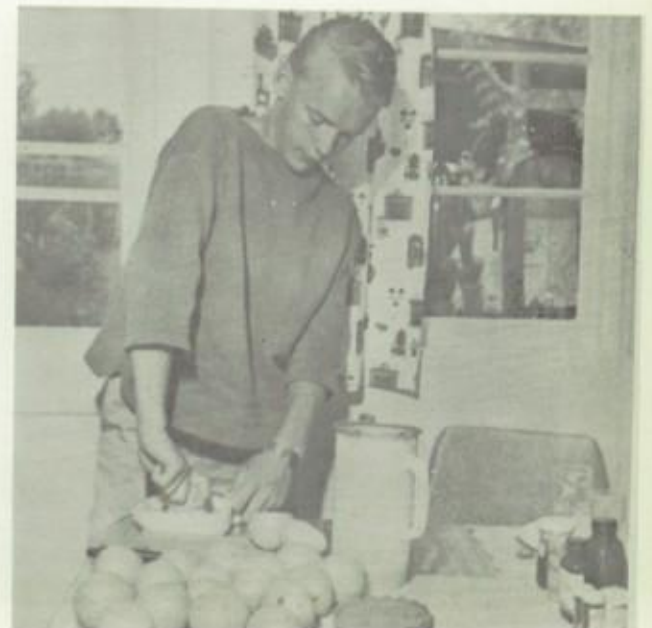

In his spare time Bjorn goes to movies and dances. Sometimes he would get together with his friends and discuss different items.

When Bjorn goes back to Norway he has 2 more years of high school. After that he plans to go to the University of Oslo and study philology.

Bjorn lived at the home of Mike Neil, junior, during his stay in the United States. Helix has given Bjorn a very good impression of an American high school, and Bjorn has given Helix a very good impression of the ideal Norwegian teenager.

GIRLS' AND BOYS' STATE

Girls' State

Girls' State is a government program which challenges the youth of America to accept not only the priceless privileges of citizenship, but also the duties and responsibilities which ensure democracy and the American way of life. The Girls' State program is nationwide. The Girls' State session of California was held on the University of California Campus at Davis, from June 26 through July 4. The honor and privilege to attend Girls' State is extended only to the most outstanding junior girl in the high school who has qualified in leadership, character, citizenship, and scholastic standing, along with willingness and ability to cooperate with others. Beverly Sodomka was chosen for this honor. While there, she was elected treasurer of her city.

Boys' State

Boys' State is an annual event sponsored by the American Legion. The 1961 Boys' State was held directly after the close of school on the fair grounds in Sacramento, California. A week was spent in the practice of representative government with some 800 boys from nearly every high school in California attending.

Eddie Lebb and Dick Martin were chosen to represent Helix at this event. Elections were held for various offices: city, county, and state. Eddie was elected to the position of State Attorney General. This was the third highest position at Boys' State. After the elections, the boys had a chance to practice their duties and then to meet Governor Brown. It was a memorable and rewarding experience for all who attended.

SENIOR PLAY

DINO

Elbert Collins — Dino

Bobbi Hartwell — Shirley

Ricki Rosado — Student Director

Dino, the play chosen by the seniors as their class play, is a hard-hitting yet warmly moving play about the rehabilitation of a juvenile delinquent — a race against time to keep him from becoming a criminal. The play deals honestly and fearlessly with the situation, building to a constructive and utterly compelling conclusion. The play was held on December 1, 2, 8, and 9.

STUDENT GOVERNMENT

The Student Government class started the year off well by having a successfully organized Freshmen Orientation, Hello Assembly, Hello Hop, and Sports Night. The A.S.B. cards sold highest in the history of Helix High School. The Nominating Convention, Leadership Conference at Palomar, and the Spring Dance are other examples of their fine work, considered by many to be the most outstanding since Helix began.

This group of outstanding people work hard the year round to make our events and activities the success that they were. Helix is very grateful to them.

BIG AND LITTLE SISTER TEA

Opening the Girls' League calendar was the 7th annual Big and Little Sister Tea. The purpose of the tea was to introduce incoming freshman girls to the traditions of Helix and the Helix Lassies. Activities of the committee included the collection of magazines for hospitals, formation of a Girl Guide program, a bake sale, trick or treat for UNICEF, and the sale of victory ribbons and shakers.

FALL FASHION SHOW

The Fall Fashion Show was held in College Grove and put on by Leonard's. The theme of "Fall Holidays" was beautifully displayed by the attractive decorations for Christmas, Thanksgiving, and Halloween, and was a great success.

ALUMNI TEA

This year the Alumni Tea Committee had a very successful and active year. Their first event was a bake-sale followed by the sale of Bonnie Fighting Lassie Tags. On November 10th, they had the Alumni Tea, which was considered the most successful ever held. At Christmas time there were two service projects, Christmas caroling at the Navy Hospital and making net angels for a rest home. Their work was a credit to our school.

CANNED FOOD DRIVE

This year's Girl's League Canned Food Drive was co-sponsored with the Helix Key Club. With everyone working hard they broke all previous records with 1,000 cans and \$120. The girls on the committee have worked very hard and have enjoyed doing service and money making projects for the school.

FASHIONALITY NIGHT

The Fashionality Night Committee put in a great deal of work making flowers, posters, and banners, to make this year's spring fashion show a success. The theme was "Highlights of Spring Fashions" and was held in the Green Room. It was a coeducational show put on by the Highlander Shop and Lindas.

HULA HOP

This year, it took a lot of hard work, and time, to make the 1962 Hula Hop something new, and different, to be remembered through the years. The theme for this year's dance was "Evening Across the Sea" based on the idea of a boat, the USS Helix, sailing across the sea to beautiful Hawaii. It was one of the best Helix ever had.

The Hi-Stepper Corps this year were under the direction of Mrs. Shirley Hartley. The Corps took part in many performances such as the Grossmont League Carnival, our football halftimes, the Autumn Band Jamboree, and many parades.

The Pom-Pon Corps made a slight change in their uniforms by wearing green corduroy vests with green shoes to match. The Flag Corps set a precedent by using double flags for the first time. The sparkling personality and outstanding uniforms of the Specialty Corps made their performances a success.

GROSSMONT LEAGUE CHAMPS

As defending champions, Helix did just that. Rated no better than third in the preseason

census for the new Grossmont League, Helix ended league play with a perfect 6-0 record and had an overall record of 8-1.

Beginning with Clairemont, a tough city team, Helix handled the Chieftains easily, winning 40-6. The next week the Highlanders faced a fired-up Eagle squad from Granite Hills. Helix prevailed

28-6. Helix then faced its toughest game to date, Hoover. After a hard fought battle Helix bested the Cardinals 7-0.

Next came the newest rivalry of the league, Dick Gorrie and his Highlanders against his brother Doug and his Monarchs from Monte Vista. Dick proved to have the superior team, winning the contest 28-0. Against the Matadors from Mt. Miguel Helix regained the "Claymore" which it had lost the previous year by trouncing the Matadors 29-0.

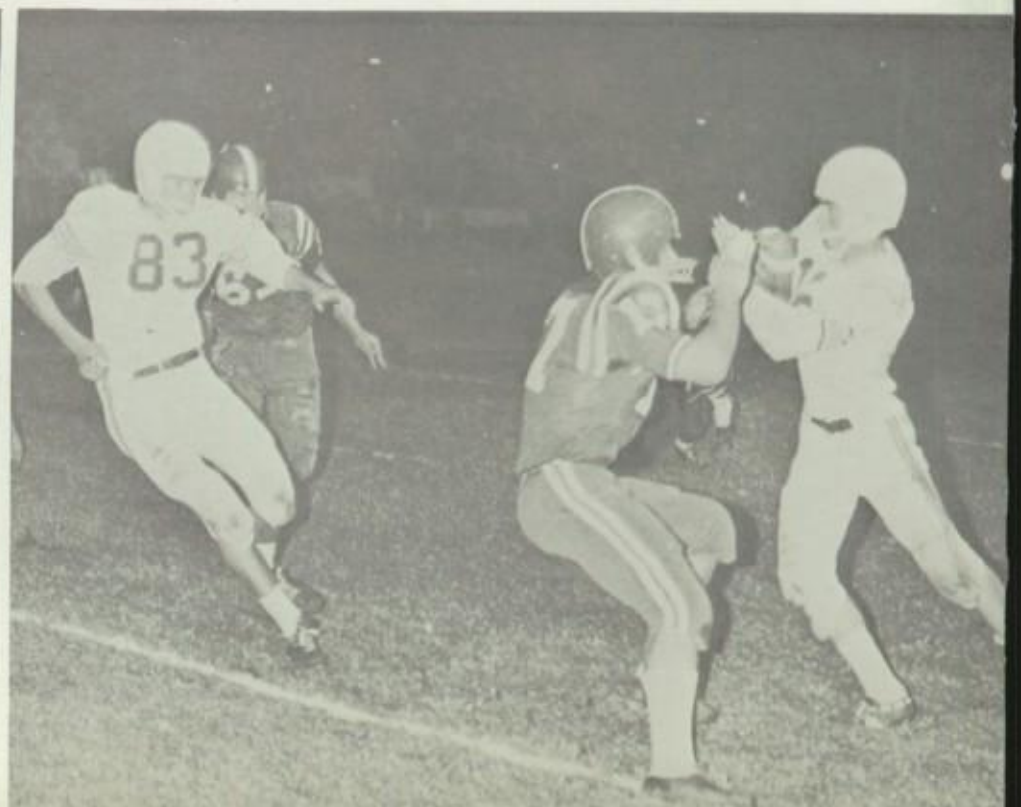

The following week Helix faced an inspired team from El Cajon. After a tough defensive battle, Helix emerged the victors by a score of 13-0. Next came the homecoming game with El Capitan. The alumni and student body were amazed with the outcome of the game. Helix buried the Vaqueros by a score of 56-21, breaking the all-time scoring record set by the 1956 Helix team of 54 points.

The following week was the most important game of the year. The Highlanders engaged their crosstown rivals, Grossmont. The league championship hung in the balance. After one of the most thrilling games in the long rivalry, Helix emerged the winners by the score of 28-27 and thus captured the first Grossmont League football championship.

The offensive team was led by such outstanding backs as seniors George Sherrod, George Engle, Pete Ostrom, Keith Mortenson, and junior Mike Scott. The offensive line was led by such standouts as Bill Burnett, Wally Mallow, Marty Zazavich, Bob Rothstein, and Dave Gil-

more. The defensive team was spearheaded by Dick Breuninger,

Bob Jacobson, Bob Christian, Larry Linthicum, and George Engle.

DEFENSIVE TEAM

Back row, left to right: Larry Huse, George Engle. Middle row: Pete Ostrom, Martin Zacavich, Larry Linthicum, Frank Granillo. Front row: Dave Gilmore, Dick Breuninger, Bob Jacobson, Bob Christian, Gene Westlund.

Frank Granillo—A senior, Frank was outstanding on defense. At 5'10" 150 lbs. Frank was worth his weight in gold. Each game he acquired his share of defensive points. His aggressive play will be missed next year.

Art Whaling—As a senior, Art blossomed into a fine running back. At 5'10" 170 lbs. Art used his exceptional speed to outrun many a defensive opponent. Art's spirit and attitude should allow him to go a long way in football.

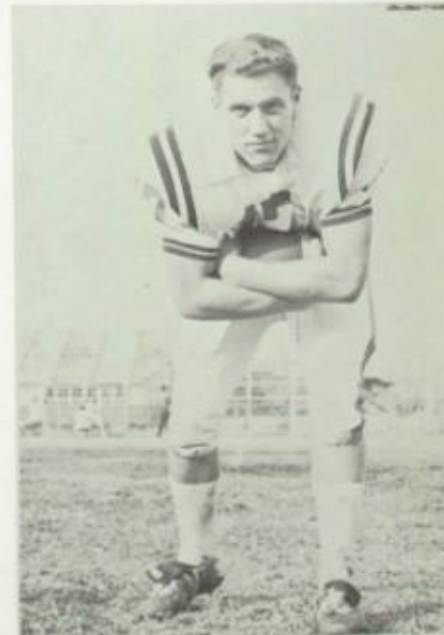

George Engle—George, a senior this year, was the most versatile player on the team. He was one of our outstanding quarterbacks, and played both offensive and defensive halfback. In the El Capitan game George scored from both the quarterback and halfback positions. George has enjoyed three years on the varsity team.

Larry Linthicum—As a senior this year, Larry played fullback on offense and linebacker on defense. At 5'9" 160 lbs. Larry enjoyed his best game against El Cajon when he scored 32 defensive points.

Keith Mortenson—A senior this year, Keith finished second in scoring in the Grossmont League with 60 points. His 5' 11" 175 lbs. frame enabled him to run over many a defensive tackler. He enjoyed his best game against Clairemont in which he scored 3 touchdowns.

Larry Huse—A junior this year, Larry played fullback on offense and safety man on defense. He led the team in intercepted passes with 5. Larry is 5'10" tall and weighs 170 lbs. His ability on both offense and defense should prove to be of great importance to next year's team.

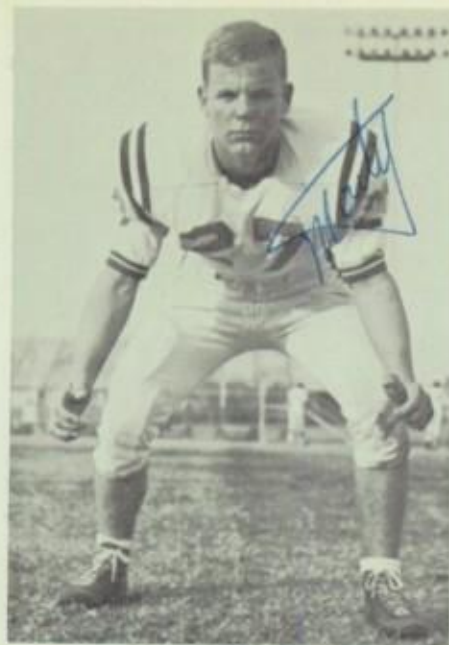

Mike Scott—Running from the right half-back position, this junior scored 7 touchdowns for Helix and received "Honorable Mention" in the Grossmont League. Mike, standing 5'10" and weighing 175 lbs., was a consistent ground gainer for Helix this past year. His ability and desire should prove Mike to be one of the finest backs in the Grossmont League next year.

Pete Ostrom—Pete, a senior, enjoyed a fine year scoring 6 touchdowns for Helix. He improved with every game, reaching his peak against Grossmont when he scored two touchdowns. Pete, standing 5'11" and 175 lbs., played fullback.

George Sherrod—One of the league's best quarterbacks, George was not only an outstanding passer but an excellent punter. At 6' 165 lbs., George enjoyed his best game against Granite Hills when he completed 14 of 17 passes. George's outstanding punting ability enabled him to average 40 yds. per kick.

Bob Christian—Bob, a junior, was one of the finest interior linemen in the league. Standing 6'5" and weighing 210 lbs., Bob should prove the finest tackle in the league next year. His size enabled him to make many an important tackle.

The Helix Junior Varsity football team ended its season with a perfect 8-0 record. Because they were undefeated, they broke the record for the most consecutive wins by a football team in San Diego County. The previous record was 24 wins without a loss. Because of this outstanding record, Helix should be extremely proud of its Junior Varsity team.

The offense was led by the quarter-backing of Jim Bennett and the running of Tom Herring, Tony Garcia, Bruce Able, and Dennis Milstead. Dan Cox and Dave Erickson anchored both the offensive and defensive lines. Other defensive stand-outs were Ed Carmichael, John Beale, Dan Brown, Nelson Powell, and Jeff Smith.

Harlan Chase was exceptional on both offense and defense and especially on punt and kick-off returns.

C.I.F. CHAMPIONS

CROSS COUNTRY

IRONMAN

MOST IMPROVED

This year's cross country team is easily the greatest congregation of distance men ever assembled at Helix, and one of the two great teams in southern California this year, the other being La Habra of Los Angeles. Among the many accomplishments of the team are Mount San Antonio College Invitational Cross Country champions for the medium large school division, Aztec Invitational champions for large schools, Grossmont dual meet and league champions, and California Interscholastic Federation San Diego Section large school champions. Perhaps the greatest feat of this magnificent team is the fact that it has never been beaten in either dual meet competition or invitational competition.

The credit for this amazing record can be given partly to the runners, who had good ability but more heart, who sacrificed their summer to practice almost every day; and partly (probably the most) to the coach, Bill Ellis. Since Coach Ellis has been at Helix, he has had two league championships and one C.I.F. championship, the only C.I.F. championship ever to be held by a Helix team.

Coach Ellis once said, "This is the best working team I have ever coached. We won on work, not ability."

Martin Koenekamp—A junior with one year of competition remaining, Martin was voted the Most Improved runner on the team. He was eighth on the team. Martin is a great competitor and a consistent runner.

Cliff Torrey—A junior, Cliff ran his finest race against Point Loma where he finished third. Finishing fourth on the team, he was among the top runners in the league. If Cliff continues to improve, he should be one of the finest runners in the county next year.

Bruce Hamilton—Only a sophomore, Bruce finished second on the team. He enjoyed his best race against Kearny which he won. The best tenth-grader in the county, Bruce was usually the pace-setter in a good many of the races.

Keith Kell—A junior this year, Keith finished seventh on the team. He enjoyed his best race against Lincoln where he finished fourth. A very consistent runner, Keith should be one of the better distance runners next year.

Bill Carpenter—A senior, Bill was the most consistent runner on the team, always placing well among the top finishers. He finished sixth in the final team standings. Bill performed well in the league finals. Bill's inspiration kept the team together throughout the season.

Ed Matheus—A senior this year, Ed finished third on the team and seventh among all runners in the county. He enjoyed his best race against Lincoln where he finished first. Voted Co-captain by his teammates, Ed was noted for his fast finishes.

Dick Hume—Another fine junior, Dick finished fifth on the team. His best race was against El Cajon in which he finished second. Voted Co-captain along with Ed Matheus, Dick was known for his strong finish. Dick is a good bet for a top spot among county runners next year.

Bob Johnson—Only a junior, Bob was ninth on the team in final standings. Bob reached his peak when he won the C.I.F. J.V. race. With one year remaining Bob should be one of the better distance runners in the league next year.

Van Kemper—Van was the manager this past year. He always did a great deal of work and could be depended on at all times.

John Cary—Like Van, John was the other manager. He sacrificed his time for the convenience of the team.

It was not only the varsity team which went undefeated and won the C.I.F., but the junior varsity team also compiled a like record.

Said by Coach Ellis to have done a better job than the varsity in many races, the team was led by Les Falos, Ernie Foucault, Jim Michael, and Henry Mikkonen. All these runners are juniors and will be competing for the varsity team next year.

Helix can truly be proud of this fine group of distance runners.

F R O S H

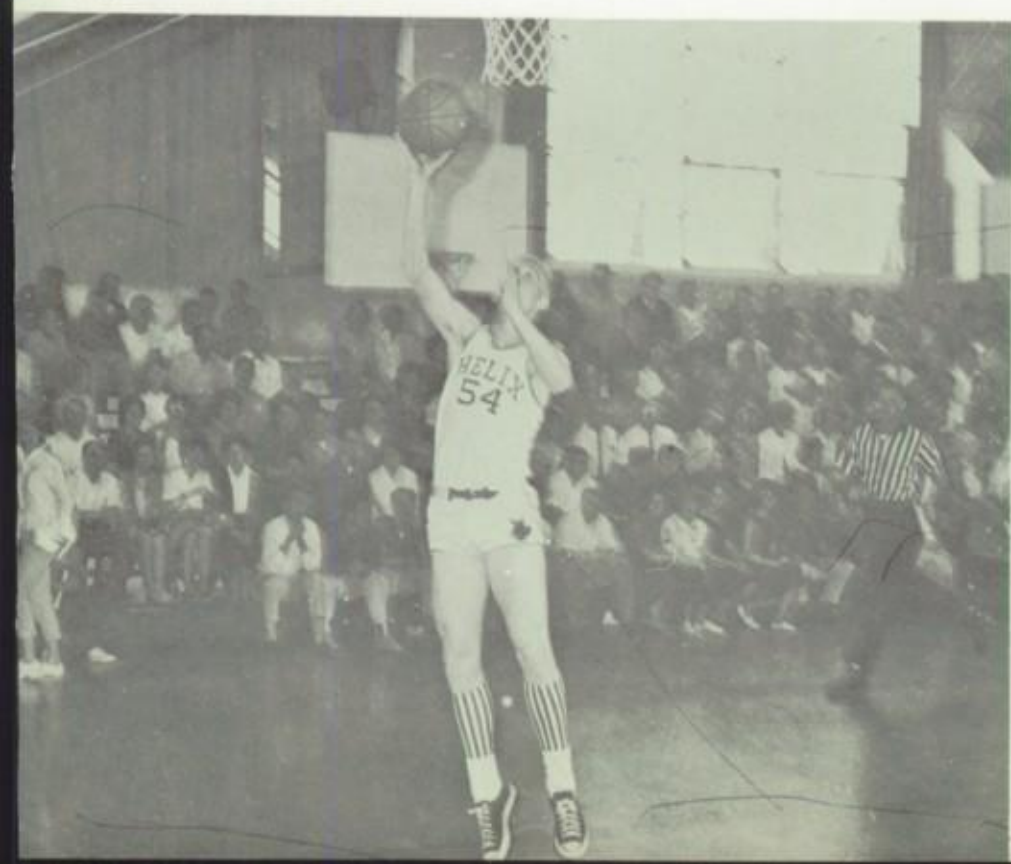

The Basketball team this year got off to a slow start, but improved with each game, and ended the season in second place. Under the coaching of Bob Speidel the roundballers had a league mark of 8 wins and 4 losses. Their overall record was 13 wins and 11 losses.

The best games of the season were against Saint Augustine and Grossmont. We downed Saint Augustine, who was ranked 4th in San Diego County, by a score of 62 to 52. Then later against Grossmont, the Scots lost a close game; but not until after the Foothillers were behind several times and had to really scamper to overtake the "Fighting Highlanders." The score was 45 to 39, the closest any league team came to beating Grossmont.

The Basketball team was spearheaded by Seniors, Richard Hoy and George Engle. Hoy and Engle both were among the League's 10 top scorers.

Juniors Harlen Chase and Dick Gowins also did outstanding jobs, with Chase's defensive play and Gowins' shooting ability.

The roundballers had a fine season this year, and winning 8 out of the last 11, were ranked the 10th best team in all San Diego County.

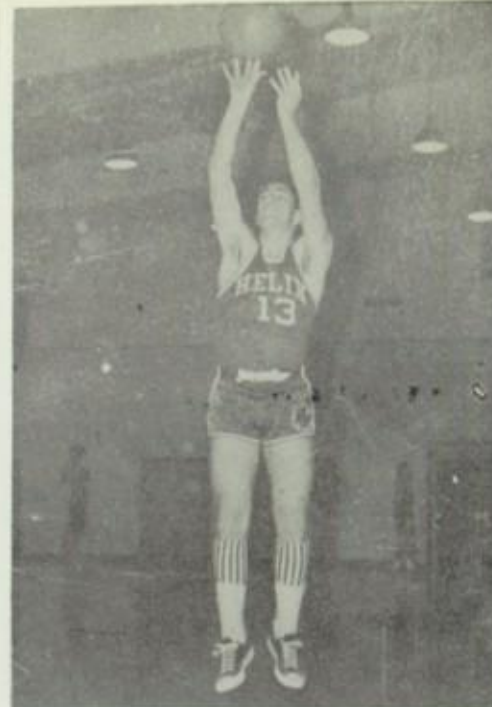

Richard Hoy—The team's leading scorer, Richard played at the forward position this past year. A senior, he was a consistent scorer and pulled down his share of rebounds in each game. Richard led the team in rebounding, which was the determining factor in winning several games. Richard also did a fine job on defense, guarding his man very well.

Engle scores two against El Cajon, his highest scoring game with 26 points.

George Engle—A latecomer from football, George found his own after the Christmas layoff when he averaged better than 10 points a game for the balance of the season. A senior, George was the only returning letterman to play this year. He played guard and was the playmaker of the team. A fine hustler, George's aggressive play and fine shooting will be missed next year.

Rick Rodriguez—A senior this year, Rick completed his fourth year as a roundballer. A guard, Rick was a good steady performer who could be relied upon to do his job well. His spirit and attitude will be missed next year.

Dick Gowins—Standing 6' 1", Dick played forward this past year. His fine jump shot enabled him to score consistently in each game. Only a junior, Dick gained valuable experience this year which will enable him to become one of the finer forwards in the league next year.

Harland Chase—A junior, Harland was noted for his aggressive defensive play. Always chosen to guard a fine shooter on the opposing team, Harland often held the high scorers to a limited amount of points. A devoted player, he puts in many long hours practicing his moves. He should be a starter next year.

Dave Lorenz—A junior this year, Dave will well remember the Granite Hills game in which he sank the winning basket with just seconds left in the game. Seeing considerable action this past season, is likely Dave will be among the first starters on next year's team. He plays forward.

John Golden—A junior this year, John played guard for Helix. His aggressive play enabled him to start several games in which he performed quite adequately. With the experience John gained this year, along with his fine attitude, he should be a capable guard on next year's team.

Bob Christian—Bob, the tallest boy on the team standing 6' 5" played center this past year. Only a junior, he was also a late-comer from football who did not find his own until after Christmas. A fine rebounder, Bob pulled down a good number of loose balls each game.

Ron Voake—Playing his first year on the varsity team, Ron has shown great improvement since his freshman year. He is a junior. Playing at the forward position, Ron had several games in which he scored a considerable amount of points. He should be a great asset to next year's team.

Dave Muerdter—A junior, Dave completed his third year in basketball. He played center this past season, doing a fine job at this position. Gaining much valuable experience, Dave should prove a big asset to next year's squad. Dave stands 6' 2".

FROSH BASKETBALL

This year's fine Frosh Basketball team ended the year with a respectable league record of 11 wins, 1 loss. They were Co-Champions along with Grossmont. The team's overall record was 13 wins, 4 losses.

The team was led by the outstanding play of guard Lynn Lowder, who broke several long-standing records during the season. Larry Bailey, a forward, also broke several records this season. Jim Person, Dave Elstrom, and Byron Olander also performed well for the team. The team was coached by Gordon Nash.

This fine young team should provide Helix with excellent basketball the next three years.

J. V. BASKETBALL

GROSSMONT CHAMPS

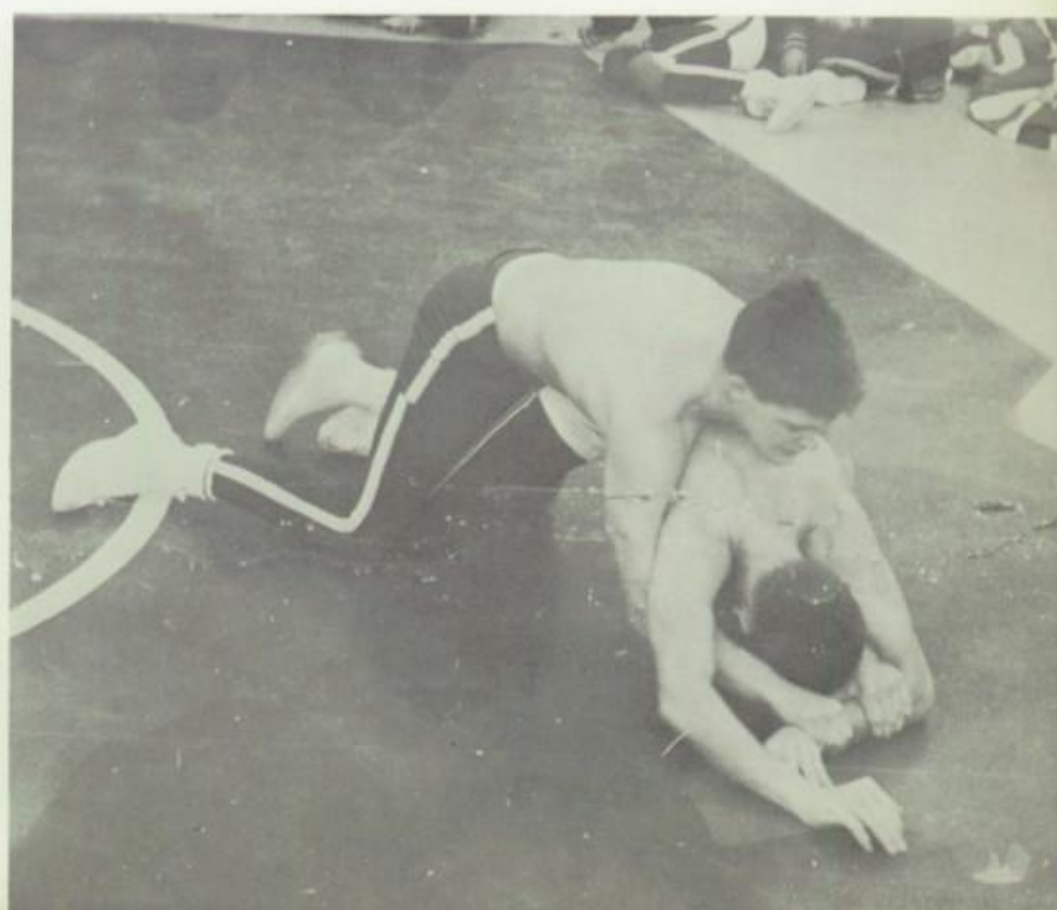

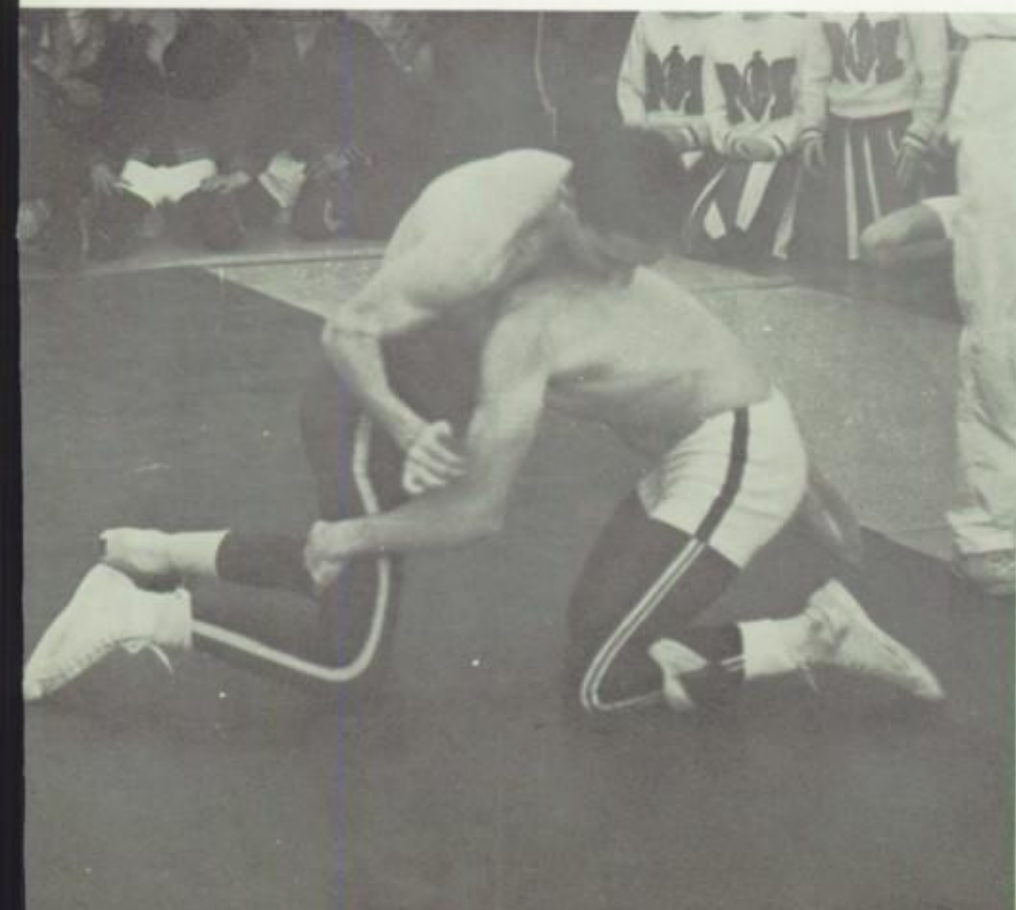

This year's wrestling team, coached by Charles Feeser and Warren Vinton, brought to Helix the first Grossmont League wrestling title. This marked the first time a Helix wrestling team had ever won a league championship since the school opened its doors back in 1951.

There was a sharp increase in attendance this past year at all home and away matches. This was due in large to the fine promoting of Coach Feeser. Due to his great interest in the sport he pushed wrestling until it became one of the most popular sports on campus.

This year's team was led by seniors Wayne Blackman, George Ward, Tom Hayes, Martin Zacavich, and Pete Ostrom. Ward was the only Highlander to take C.I.F. in his weight.

However, seniors did not dominate the team. There were sophomores Willie Lorenzen, Steve Gilmore, Richard Hand, and John Beale who all wrestled a majority of the varsity matches at their weight. Juniors also saw considerable action on the wrestling team. Joe Lewis, George Lederman, Richard Ward and Mike Scott wrestled varsity at their respective weights.

With a strong team returning the Highlanders should prove to be superior to other mat teams in the next few years.

Due to the Tartan deadline we are unable to give a full account of this year's baseball team. A brief summary shows the baseball team getting off to a slow start by losing their first two games to Crawford and Escondido. But then the team began to hit and at the Tartan deadline the Highlander nine were riding a two game victory skein.

Some outstanding performances should be shown by returning lettermen George Sherrod, Mike Huse, Chris Hansen, Larry Edwards, and Dick Gowins.

Also this year's team should prove to be a strong contender for the Grossmont League championship.

JUNIOR VARSITY BASEBALL

Gary Hafner, a consistent six-footer.

Good form displayed by senior Dave Gilmore.

The Tartan deadline was due before we could get a complete over-all picture of the track team.

Under the coaching of Bill Ellis, assisted by Ken Cochrane and Bob Speidel, the team is expected to rank high among other teams in the county.

Top performances are expected from Jack Wilson in the dashes, Ted Hack in the distances, Dave Wyatt in the hurdles and broad jump, Gary Hafner and Dave Gilmore in the high jump, Bill Burnett in the shot put, Art Whaling in the 440, and Ed Matheus in the distances.

The "B" and "C" teams look real strong also.

From all indications it looks like another top year for the Helix track team.

TENNIS

Deadline date prevents us giving an accurate account of this year's tennis team. The team is coached by Ross Walker.

Returning lettermen: Marshall Cheung, Paul Bardacke, Steve Barker, Jim Trost, and Don Walton, all add exceptional strength to the team. Also other varsity players include Steve Radford, Bill Halvorsen, Rich Rodriguez, Andy Mosko, Ron Gardner, and George Engle.

This year's racket men should be a top contender for the Grossmont League Championship.

Tim boy,
Don't cheat in life
it ain't fair, but whenever
you get a chance, do it! ! !

- Tim -

To a real man, although not a "NELSEN'S GYM TRAINED
MAN", a man with real attitude, and an immortal "Nuba"
to boot. It's really been a blast goofing around with the "Nubas"
and in "Aunt Miriam's" pit and at "Henry's" and... and... every-
thing else we've done. Good luck, keep goofing off and KEEP UP

THE GOOD ATTITUDE. your Buddy Nelson
Terry

Tim:
- Hi Old N.Y.B.A. buddy -
We've really had some good
times this year and also some
back (you know what I mean)
Well that's all in the past and
we have to look into the future.
We'll play some more B.B. this summer
and maybe get up a team.
Good luck
John Woodring

Tim,

You're on your own now so good luck in the future.
Maybe you'll be on a winning team in college
basketball.

TIM-
To one of the
guys who played the
hoop game for our school.
GOOD LUCK ALWAYS

Jim,

Only according to Kepler's Law
can I write this article. When I was talking to
the teacher this week, they knew your name.

The teacher and skylark congratulated you,
yet were still undecided. Both worked
together to establish a mutual benefaction
of letters day? We've had a lot of
fun celebrating on the moors. Keep
up the good activities you have
treasured.

Tim-
It's been a real
English class & at our
graduation sessions.
At this year. Best of luck
at state & in your future
years after our 2nd graduation.

Jim -
it's really
been a blast
sitting next to you
in French. He sure
got each other in trouble
a lot! But that's what
made French interesting.
Without a doubt, you
are one of Kelly's finest.
Kathy or whoever you're
gon' with is really
lucky. Stay sweet,
O.K. Bye. Bye now!
Lots of love,

4 Say Neil -

I'm sorry I'm not as poetic as you are, but I can really
feel your appreciation for Spider-Breath. As we go through
life we can model ourselves after the beak and get
people to really love our jaws. I hope you get all kinds
of teachers like ~~Uncle~~ Uncle Bob. I already signed this
annual once, and I don't want to be again.

Your Best Buddy,
Andy "Nuka" Mosko
